

AIMECS 2025

第15届亚洲药物化学联合会 国际药物化学研讨会

15TH AFMC INTERNATIONAL MEDICINAL
CHEMISTRY SYMPOSIUM(AIMECS 2025)

HANGZHOU, CHINA SEP 25-27, 2025

Dear Colleagues,

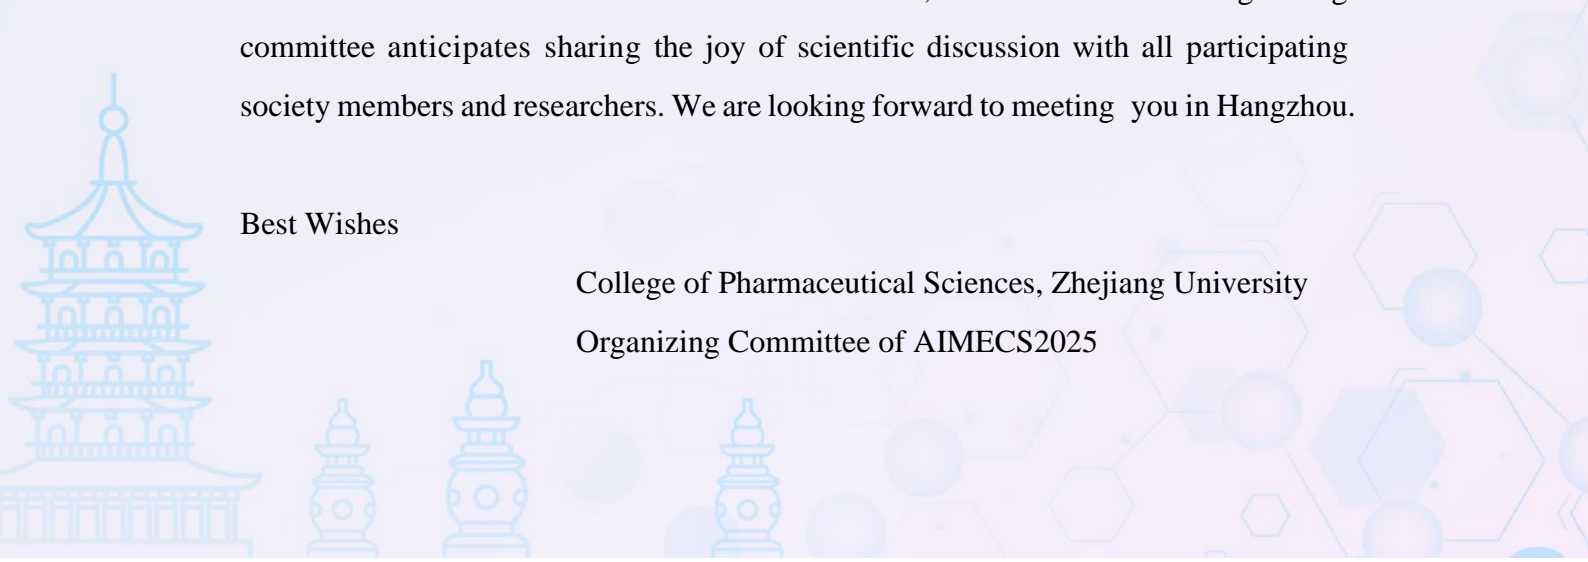

On behalf of the Organizing Committee, it is our great pleasure to invite you to join the 15th AFMC International Medicinal Chemistry Symposium (AIMECS2025) in Hangzhou, China.

The AIMECS2025 will be held in the Grand ParkRay Hotel in Hangzhou, which is readily accessible from Hangzhou Xiaoshan International Airport and Hangzhou East High-Speed Railway Station. Besides, Hangzhou reaches its most inviting state in late autumn. College of Pharmaceutical Sciences, Zhejiang University, will organize this symposium. The organizing committee is pleased to assure that AIMECS2025 in Hangzhou would be another successful AFMC venue to promote the open exchange among scientists working in academia and industry across Asian countries. The organizing committee also appreciates the continuous participation from the European Federation for Medicinal Chemistry and Chemical Biology (EFMC) and the ACS Medicinal Chemistry Division (ACS MedChem).

The theme of AIMECS2025 is “Interdisciplinary Convergence for Drug Discovery”, wherein various scientific sessions will cover a wide range of topics in medicinal chemistry, chemical biology and pharmaceutical industry. Besides, we will set Academic Flash Mob and Poster Presentation to foster next generation scientists’ exchanges. Meanwhile, the AIMECS2025 website (<http://www.aimecs2025.com/>) would update the symposium information immediately. With the unique opportunity to serve the AFMC societies and their members, the AIMECS2025 organizing committee anticipates sharing the joy of scientific discussion with all participating society members and researchers. We are looking forward to meeting you in Hangzhou.

Best Wishes
